## REDUCES ITS CAPITAL

Action Of American Bank.

## TO FORM NATIONAL BANK

Preliminary Step in Reorganization--  
Capital Reduced to \$250,000  
From \$750,000.

Chief Justice W. F. Frear yesterday authorized the First American Bank of Hawaii to reduce its capital stock from the sum of \$750,000 to \$250,000. This action follows the plan outlined by Col. George W. Macfarlane during his recent visit to the Islands and has been anticipated for some time past. It is one of the steps in the transfer of title of the bank to become the First National Bank of Hawaii.

In the petition for permission to reduce the capital stock the proceedings at the meeting of the corporation on July 11th are set forth, when 5124 shares out of a total of 7500 shares were represented and resolutions were adopted giving the Board of Directors authority to take all the necessary steps to convert the bank into a National Bank under the provisions of the National Bank Act of the United States.

The most important of these resolutions is as follows: "Resolved, That when a National Bank succeeding this institution or taking over its business or a part thereof is organized, or sooner, if necessary, the Directors are authorized to call in the sum due on the subscribed capital stock, to wit: the sum of \$250,000, and to carry on the business of this institution under its charter as a general banking savings loan and trust company with that capital, and to take over and deliver to the officers of the National Bank organized in this behalf, any and all property remaining and belonging to this institution, and to receive in payment thereof paid up shares in said National Bank to the amount of \$500,000 and to deliver such stock to the stockholders of this bank in proportion to the number of shares held by each of said stockholders.

"Be it further resolved, That in the event of the change last above set forth that said directors are hereby authorized to change or have changed the name of this institution, as follows: 'The First American Savings and Trust Company of Hawaii, Ltd.' And said directors are also hereby authorized and empowered to execute any and all documents under seal or otherwise necessary or proper for the carrying out of the purposes above set forth, and to pay all expenses incurred or incidental in the carrying out of any of the foregoing purposes."

The petition represents that all the requirements of the premises of this resolution have been carried out and that all is now ready for the reduction of the stock. The petition is signed by Cecil Brown, president of the bank, and by E. M. Boyd, its secretary.

The petition was presented immediately to Chief Justice Frear and formally granted at once.

### NEW BRIDGE AT KALIHI.

Other Street Improvements on Palama Side of the City.

Assistant Superintendent W. E. Rowell of the Public Works Department, together with Supervisor of Roads Campbell, visited Kalihi yesterday to look over the situation with reference to the streets in that vicinity. They decided to erect a new bridge across the Kalihi stream, and work will commence on it as soon as estimates and plans can be drawn. The bridge will be a fine one, built of stone and concrete, and will be as wide as the road at that point. It will in all likelihood cost in the neighborhood of \$5,000 or \$6,000. The present bridge is a little wooden affair, entirely inadequate to carry the traffic which crosses the bridge.

The widening of King street in Palama was also looked over by Mr. Rowell and Mr. Campbell. A stretch of ground sixteen feet wide running from Liliuokalani's place to the Asylum road has been donated by the Bishop Estate Company, and this will make King street through that district the established width.

### IN THE SCHOOLS.

Another Room Prepared for Pupils at Aala Warehouse.

To accommodate the large number of children who are coming to the schools it has been decided to make use of another room at the Aala warehouse. Four rooms have been heretofore used, but the increase in attendance has made it necessary to open a fifth. It will accommodate about thirty-five or forty pupils, and will be ready for occupancy on Monday, as the desks are in place and the room is all furnished. Older pupils at the Royal School will be moved to the Aala warehouse to fill the new room, and this will give greater accommodations at the Royal School, where the lack of room has been most noticeable.

Reports from most of the schools about the city show encouraging returns. All are well attended, but so far the principals have been able to accommodate all comers.

Captain Oberlin M. Carter, formerly of the army, sent to prison for the Savannah frauds, is trying to secure freedom on a writ of habeas corpus.
